- (1) Planning for New Building
- (2) Security of Classes-in-Session

1. In regard to your request at the DTR staff meeting Friday for suggestions on furnishings and equipment for the Langley building, it is suggested that all OTR headquarters staffs and schools would benefit from having a copy of the floor plan of training (classroom, laboratory, auditorium, etc.) space in the new building. Can these be obtained?

2. In connection with my remarks on interruptions of the JOE training, it is suggested that [REDACTED] staff have prepared sufficient door signs for each classroom, marked "Keep Out - Class in Session," or as otherwise appropriate.
